## **Collection of your personal information**

There are many aspects of the site that can be viewed without providing personal information. However, for access to Britex Metal Products Co. Pty. Ltd. CAD and BIM content, we request registration and the submission of personally identifiable information. This request is made so Britex Metal Products Co. Pty. Ltd. can take reasonable steps to ensure future support and updates can be provided to our clients in the event that Britex Metal Products Co. Pty. Ltd. makes alterations to information that clients may rely on for their own commercial activities. These instances may include but not limited to product designs being altered, restructuring of BIM content data or products becoming unavailable for sale. Users that do not 'opt-in' to receive updates during the registration process will not be provided updates by Britex Metal Products Co. Pty. Ltd. nor will they be contacted for matters relating to the promotion or sale of products and services provided by Britex Metal Products Co. Pty. Ltd.

## **Sharing of your personal information**

We may procure the services of other companies to provide services to our customers on our behalf where necessary, including but not limited to handling customer technical support enquiries. In these instances, these companies will be provided only the

personal information they need to deliver the service. Britex Metal Products Co. Pty. Ltd. takes reasonable steps to ensure that these organisations are bound by confidentiality and privacy obligations in relation to the protection of your personal information.

## **Use of your personal information**

For each visitor of the site, we expressly collect the following non-personally identifiable information, including but not limited to browser type, version and language, operating system, pages viewed while browsing the Site, page access times and referring website address. This collected information is used internally for the purpose of gauging visitor traffic and trends.

Britex Metal Products Co. Pty. Ltd. reserves the right to make amendments to this Privacy Policy at any time. If you have objections to the Privacy Policy, you should not access or use the Britex website.
