ABOUT

Dohertys Creek P-9 College is a new school developed as part of the Growth Area Schools Project Victoria (GASP) to serve the Truganina community. Opening in Term 1 2019, Dohertys Creek P-9 College is a school committed to high academic standards, with a core focus on Literacy and Numeracy. The co-educational primary and secondary school is part of a government commitment to making Victoria the "Education State" through the improvement of school infrastructure – a project involving ten new schools that links growth areas to promote community connection across educational sectors and providers. Dohertys Creek P-9 College is located on the corner of Elmhurst Rd and Mainview Blvd in Truganina.
