Centurion Disabled Toilet Pan supplied with Black Vandal Resistant Closed Front Toilet Seat, Polyurethane Backrest with 40° LHS Grab Rail Set and Chrome Plated

## ABOUT

Located just 20 minutes from the bustling Sydney CBD, Pidding Park is situated in a quiet corner of Ryde, between Pidding Road and Cressy Road. With a modern playground, off-leash dog park and sports field, all surrounded by natural bush land, Pidding Park is a popular spot for families as well as cricketers in the summer and soccer players in the winter. The Pidding Park Amenities Upgrade worth \$1.05 million featured a complete range of Britex Stainless Steel Vandal Resistant fixtures and accessories throughout the number of toilet facilities and change rooms. The development of the new amenities building involved demolishing existing structures, developing two change rooms, a kiosk, accessible toilet facilities, male and female toilet facilities and associated site works.
