about

The *BRITEX Stainless Steel Wall Mounted Cleaner's Bench* is ideally suited to cleaner's rooms in health projects. It consists of a bucket sink with a robust stainless steel hinged grate and a drainer section for additional storage space. Designed by specialised health project architects, this cleaner's bench is OH&S friendly and extremely sturdy, mounted on rear wall bracket with added support provided by adjustable front legs. Can be supplied in standard and custom sizes and in commercial grade 304 or acid resistant grade 316 stainless steel.
