- Manufactured to custom lengths
- Fully customisable
- Supplied with stainless wall brackets
- Sealed tube ends
- Easy to clean and maintain
- Heavy duty welded construction
- Particularly suited to commercial kitchens

## about

The *BRITEX Stainless Steel Square Tube Shelf* is manufactured from heavy duty 25 x 25 x 1.2mm tube in commercial grade 304 stainless steel. Shelves are manufactured in custom lengths to suit each application and are typically 325mm wide overall with sealed tube ends. Fully customisable, tube shelves are supplied complete with square stainless steel tube brackets and are particularly suited to commercial kitchen applications for storing and drying kitchen pots and pans.
