- Optimum safety for public amenities
- Will not break or chip
- Optional security waste outlet
- Integral channel drain
- Easy to clean internal radius corners
- Fully welded, seamless construction
- Suits correction centres, pavilions and public amenities

## about

*BRITEX Stainless Steel Multiple Shower Bases* are custom manufactured from 1.2mm grade 304 satin finish stainless steel. They are available in multiple cubicle configuration, or as one large shower tray, both sharing a common rear gutter. Multiple shower bases can be supplied with either a left or right hand waste outlet. A security waste that is suicide and contraband proof can be supplied for corrections projects.
