- Easy to clean and maintain
- Suits wide range of project types

about

The Britex Stainless Steel Wall Shelf is manufactured from 1.2mm thick stainless steel in commercial grade 304 in a satin finish. The shelves are 300mm wide and are available in 4 standard sizes. Custom lengths to suit your application can also be manufactured (consult Britex). Providing absolute value for money, the BenchTech range is ideal for use in projects such as teaching kitchens, canteens, cafes and restaurants.

sample spec. text

Benchtech XXXXmm x 300mm D Wall Shelf - Product Code BT-WS-XXX

RED TEXT may denote a variable where one option only is to be selected, a nominal dimension that needs to be specified, or an optional feature that can be removed if not required. Please refer to the back of this page for additional specification details and options.
