Are you looking to add a touch of sophistication and modernity to your bathroom? Look no further than designer stainless steel fixtures!

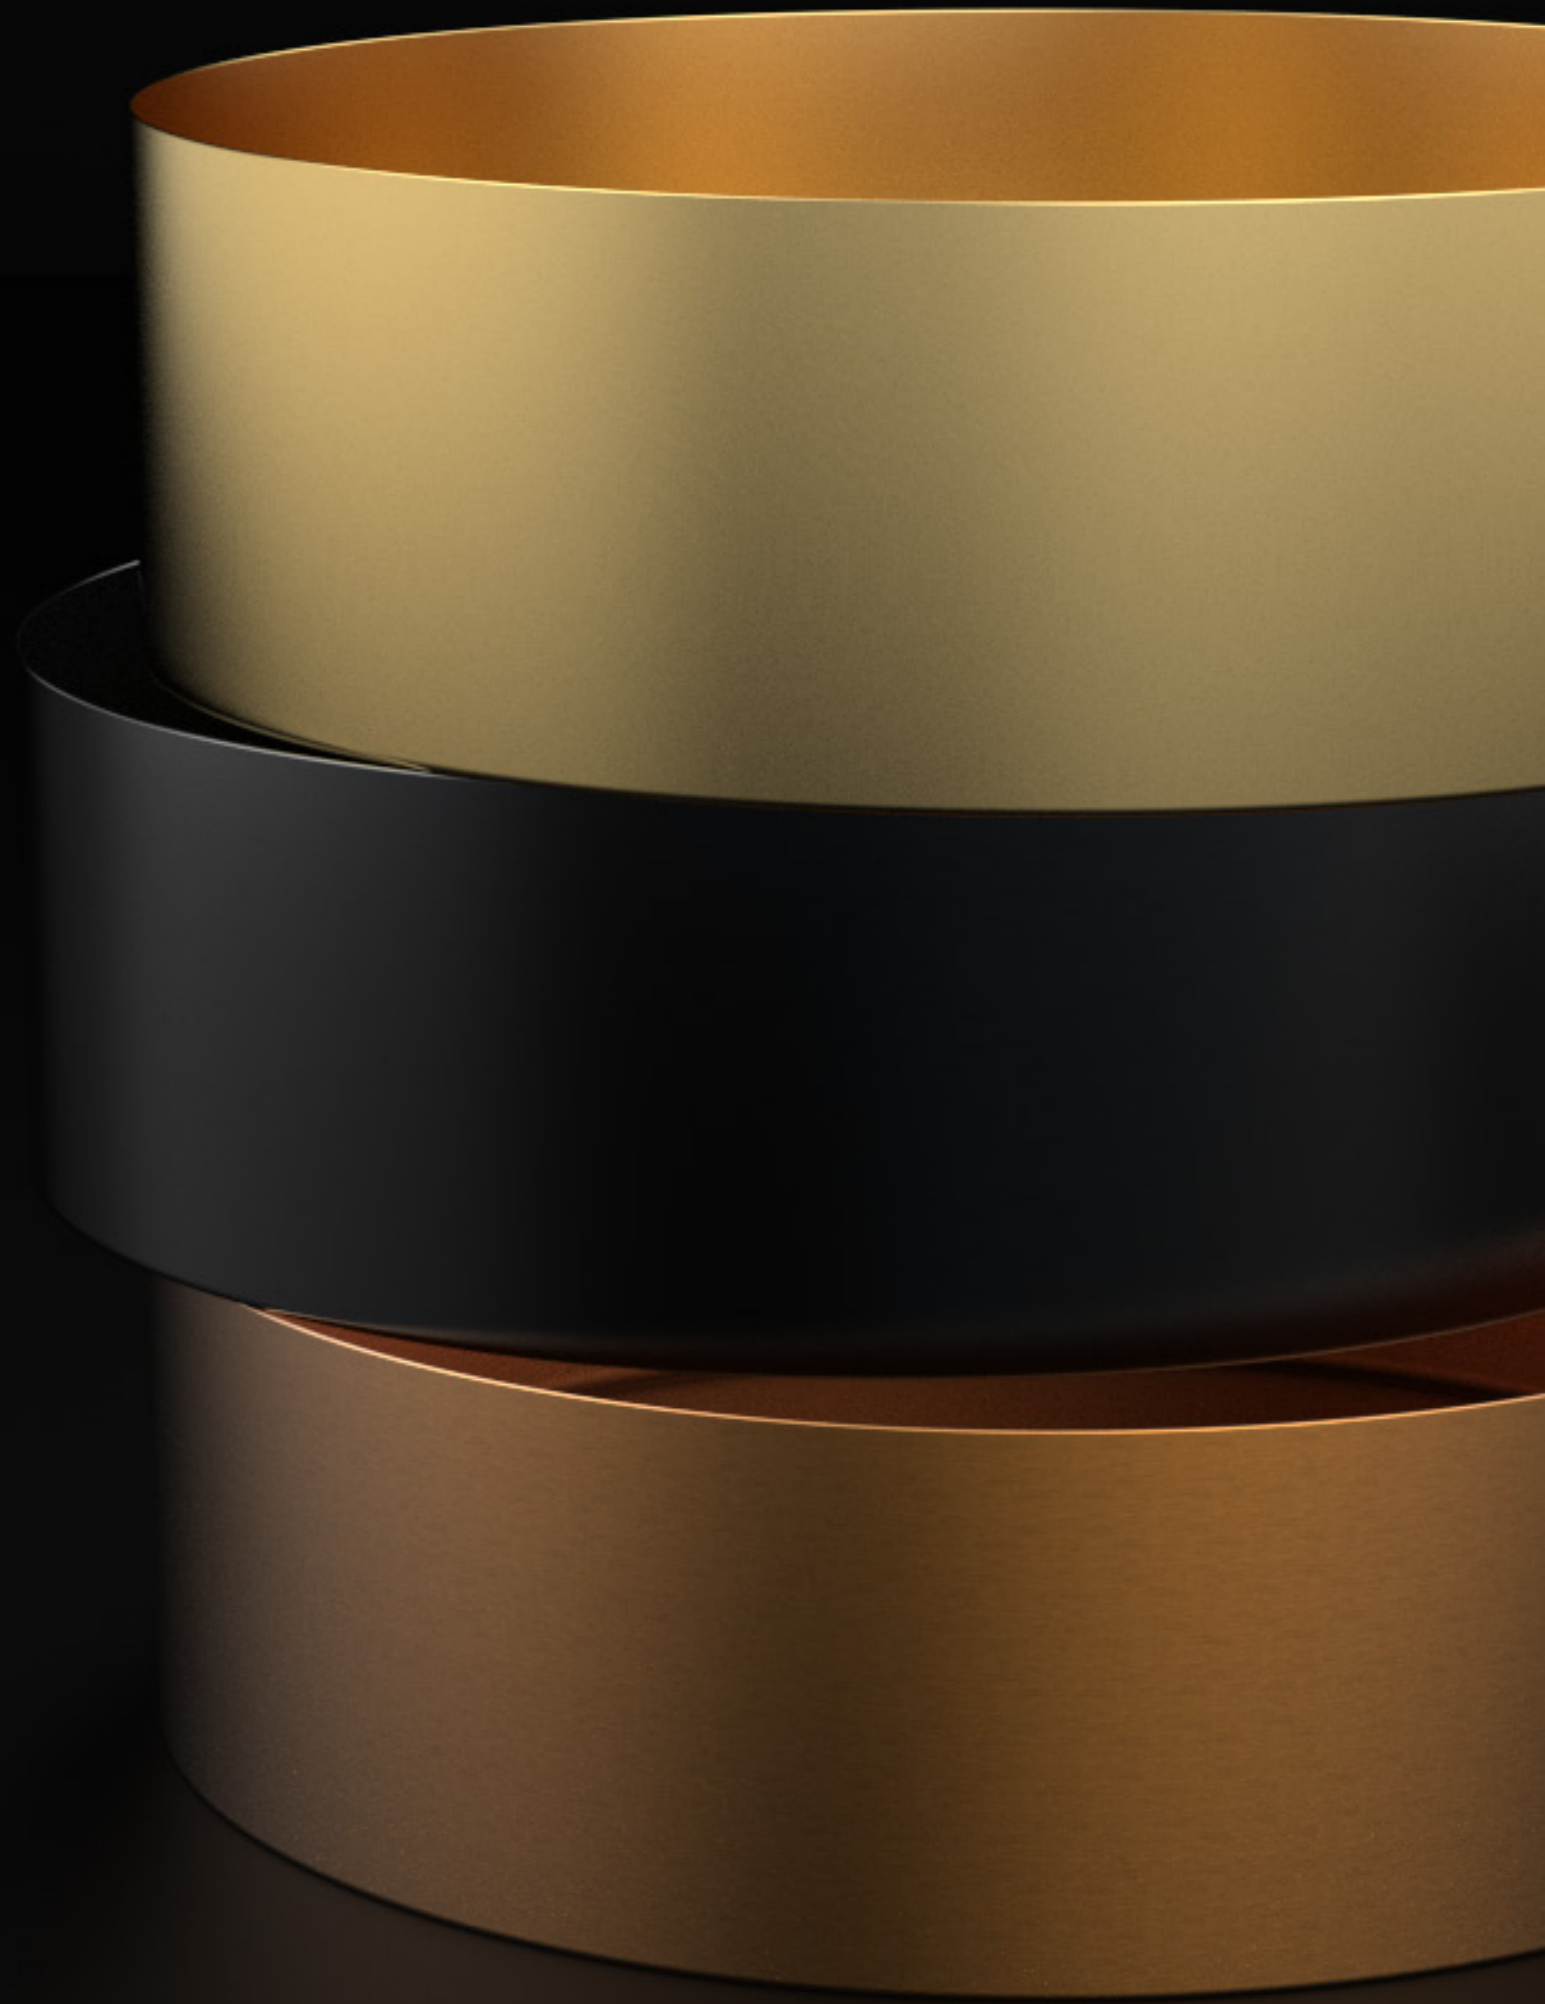

Our selection of high-quality stainless steel bathroom fixtures will elevate the look of any bathroom. Whether you're looking to replace your existing

fixtures or doing a complete bathroom renovation, stainless steel is the way to go.

Not only do these fixtures look sleek and stylish, they are also extremely durable and easy to maintain. The smooth surface of stainless steel is resistant to rust and corrosion, ensuring that your fixtures will last for years

to come. And when it comes to cleaning, a simple wipe down with a soft cloth is all it takes to keep your fixtures looking brand new.

Upgrade your bathroom with designer stainless steel fixtures today and enjoy the benefits of both form and function!

designer hand basins

physical vapor deposition

Physical vapor deposition (PVD) is used on designer hand basins. PVD is a technique where a thin film is deposited on the surface. This technique provides superior durability and resistance to abrasions, scratches and corrosion.

Available in three finishes:

Gold
Gunmetal
Copper

Available in two styles:

Round
Oblong
