- Suits schools, public amenities and sporting clubs

about

The *BRITEX Stainless Steel In Wall Refrigerated Drinking Fountain* is a great space saving, vandal resistant fixture for public spaces that provides instant chilled water. Mounted flush with the wall and set into a cavity, it will not obstruct public thoroughfares. Fully welded with rounded internal corners for easy cleaning, the drink fountain is supplied complete with waste outlet, push button drink bubbler, a separate bottle filler and lockable service panel. Great for schools, public amenities, pavilions and sporting clubs.
