- Concealed plumbing connections
- Heavy duty WaterMark certified bubbler
- Optional bottle filler tap
- Grade 304 satin stainless steel
- 40mm waste outlet
- Suits schools, public amenities and sporting clubs

about

The **BRITEX Stainless Steel Recessed Drinking Cubicle** is a great space-saving, vandal resistant fixture for public spaces. Mounted flush with the wall and set into a cavity, it will not protrude from the wall and obstruct thoroughfares. The 'rear fixed' model has no visible fixings once installed, whilst the 'front fixed' model has a flush mounted access panel to allow for installation and maintenance from the front. Fully welded with rounded internal corners for easy cleaning, the drink fountain is supplied complete with waste outlet, push button drink bubbler and optional bottle filler tap. Great for schools, public amenities, pavilions and sporting clubs.
