about

The *BRITEX Stainless Steel Refrigerated Round Drinking Fountain* is supplied complete with a built-in refrigeration unit that provides instant chilled water. Manufactured from 1.2mm commercial grade 304 stainless steel the Round Refrigerated Drinking Fountain is free standing and supplied with a heavy duty push button Drink Safe™ lead safe bubbler and waste outlet. It is secured to the ground below with a fixing plate inside the base and is suitable for public reserves and sporting clubs. A flush mounted service hatch provides access for installation and maintenance requirements.
