about

The *BRITEK Stainless Steel Square Drinking Fountain* is supplied complete with a heavy duty push button Drink Safe™ low lead bubbler and waste outlet. A service hatch provides access for installation and maintenance requirements. Manufactured from 1.2mm commercial grade 304 stainless steel the Square Drinking Fountain is secured to the ground below with a fixing plate inside the base and is suitable for public reserves and sporting clubs. Two standard heights are available (975mm or 750mm for schools) and a bottle filler is optional.
