about

The *BRITEX Stainless Steel Dual Flush Cistern* has a fully welded, heavy duty S.S. case and provides optimal vandal resistance, making it ideal for installing in schools, night clubs, pubs and public amenities. WaterMark and WELS certified, it is suited to pairing with a wide range of toilet pans as both the full and half flush volumes (up to 6L for each) can be adjusted as required. A screw fixed inspection panel prevents tampering without tools. WaterMark and WELS certified as required by plumbing regulations, government legislation and to provide quality assurance.

sample spec. text

BRITEX Stainless Steel Dual Flush Cistern -X/XL flush capacity, fully welded radius top corners, 4 WELS rating and WaterMark certified - Product Code FCD*

*RED TEXT may denote a variable where one option only is to be selected, a nominal dimension that needs to be specified, or an optional feature that can be removed if not required. Please refer to the back of this page for additional specification details and options.
