- Ideal for schools, night clubs and public amenities

about

The *BRITEX Stainless Steel Front Push Button Cistern* has a fully welded, heavy duty stainless steel case and provides optimal vandal resistance, making it ideal for installing in schools, night clubs, pubs and public amenities. An adjustable outlet valve makes it suitable for urinals and slophoppers. A low flush version (1.5L) is suitable for pod urinals. A screw fixed inspection panel prevents tampering without tools. WaterMark and WELS certified as required by plumbing regulations, government legislation and to provide quality assurance.

sample spec. text

*BRITEX Stainless Steel Push Button Cistern - **Standard/Low Flush** model, **XL** flush capacity, fully welded radius top corners. 3* WELS rating and WaterMark certified - Product Code FCS*
