- 40mm waste outlet supplied
- Concealed wall brackets
- 50mm blade upstand to rear
- Chamfered corners for added safety

about

The **BRITEX Stainless Steel Square Floating Wand Basin** is primarily used in commercial food handling areas and incorporates a generous 11 litre bowl. Activation of the tap is done by leaning against the wand protruding from the basin shroud, eliminating the need for electronic /mains powered tapware in areas where avoiding cross-contamination is paramount. Supplied pre-plumbed and easy to install, the Square Floating Wand Basin comes complete with pressure limiting valve, 40mm waste outlet and goose neck type spout.
