- 40mm waste outlet supplied
- Concealed wall brackets
- 30mm blade upstand to rear
- Supplied with gooseneck spout
- Radius basin corners for added safety

about

The *BRITEX Stainless Steel Compact Knee Operated Hand Basin* is a compact sized version of the popular, commercial sized Knee Operated Basin. Activation of the tap is done by leaning against the front push panel, eliminating the need for electronic / mains powered tapware in areas where avoiding cross-contamination is paramount. Supplied pre-plumbed and easy to install, the Compact Knee Operated Basin comes complete with pressure limiting valve, 40mm waste outlet with goose neck type spout.
