## about

The *BRITEX Vandal Resistant Wash Basin* provides great value for money in projects that require a hand wash basin highly resistant to vandalism. Easily installed and fabricated from heavy duty stainless steel, all plumbing connections are housed within the carcass of the basin preventing them from being broken or tampered with. Maintenance can be carried out by removing the access panel concealed underneath the basin. Can be supplied with anti-vandal timed flow pillar tap, sensor tap or security tapware for maximum vandal resistance.
