## about

The *BRITEX Stainless Steel Dirty Utility Sink* can be found in many of Australia's finest hospitals and medical facilities. Incorporating an integral conical flushing bowl (sluice sink) for efficient waste disposal and large sink bowl, the Dirty Utility Sink is fully welded and made to custom lengths as required from grade 304 or grade 316 acid resistant stainless steel. Options include sloped or flat drainer, nominal splashback height, support legs, and undershelf.

## sample spec. text
