- Wide end flange for mounting tapware
- Fully welded construction
- Supplied with fixing studs and clips
- Optional WELS and WaterMark certified tapware

about

The *BRITEX Stainless Steel Photo Trough* is designed to be used in dark rooms for developing photographs. An extra wide flange at one end allows for taps to be mounted into a secure, hygienic surface whilst internal bowl radius corners ensure trough is easy to keep clean and maintain. Made from 1.2mm grade 316 stainless steel it is available in custom lengths if required and an acid resistant waste outlet is optional.
