## about

The BRITEX Bariatric Pan is a specially designed floor standing toilet and is fitted with a seat that is dedicated for bariatric users. The Bariatric toilet pan with seat is secure to a persons weight up to 350 kg and is ideal for use in public amenities, care facilities, health and correctional institutions where conventional pans might be insufficient. A stand out point to Britex Bariatric pan is that it has been independently tested to withstand a structural load of up to 400 kgs.
