- Unique blockage resistant trap
- Free of ligature points
- Contraband-proof flushing rim
- Concealed fixings
- Left and right access panels
- 4.5/3 litre flushing compatible
- Anchored to rear wall and floor
- Option for permanently sealed access panels (maximum security projects)
- Suits detention facilities and public amenities

## about

The *BRITEX Grandeur Toilet Pan* is consistently chosen by specifiers as the pan of choice for correctional facilities and amenities requiring the most vandal resistant fixtures. Key to the Grandeur is the integral, seamless pressed seat area that eliminates the need for an add-on that can be removed or broken. Additionally, it incorporates a contraband-proof flushing rim and is free of ligature points making it ideal for installing in correctional facilities and holding cells. The pressed internal bowl and unique trap design makes it extremely water efficient (4.5/3 litre) and less susceptible to blockages. WaterMark and WELS certified as required by plumbing regulations and government legislation.
