- Grade 304 S.S.
- 50mm waste outlets
- Heavy duty stainless steel brackets
- Supplied with gooseneck spout
- Ideal for food handling and processing facilities.

about

The *BRITEX Multi Knee Operated Trough* is ideal for areas where automated hand washing is required without using electronic / powered tapware. Pre-plumbed taps are activated by leaning against the heavy duty push panel at the front of the trough. Made from 1.2mm grade 304 stainless steel it is available in custom lengths with as many wash stations as required and with either left or right hand waste outlet. Gooseneck spouts are provided as standard. Ideally suited to food processing, health and education projects, installation is quick and easy.

sample spec. text
