- 900mm and 1500mm model available

## about

The BRITEX Accessible Hand Wash Trough is particularly suited to school and university projects. The AS1428 complaint Hand Wash Troughs include pre-plumbed™ low lead lever activated tapware that are easy to operate and compliant to AS1428. The fully welded stainless steel troughs, with radius external corners provide added safety in high traffic areas. Accessible hand wash troughs can be supplied with either the left or right hand side waste. Also available with sensor tapware.
