- WELS and WaterMark certified, sun-light and bacteria resistant tapware
- 50mm waste & wall brackets supplied
- Concealed tapware connections
- Left or right hand waste position
- Radius internal corners - easy cleaning
- Radius external corners - added safety
- Ideal for schools, kindergartens and child care

about

The *BRITEX Stainless Steel PWD Pre-Plumbed Drinking Trough* comes complete with a choice of Watermark and WELS certified drinking bubblers pre-installed. Fully welded, rounded corners both internally and externally ensure easy cleaning and provide added safety in high traffic areas. Water efficient drink bubblers feature bacteria and sunlight resistant rubber compound mouth pieces for additional safety in the event users are bumped whilst drinking. A 50mm hob in the rear splashback allows for the pre-installed plumbing to be concealed and resistant to vandalism. Supplied complete with 50mm waste outlet and heavy duty wall brackets.
