- Vandal resistant timed flow taps (6 secs)
- 50mm waste & wall brackets supplied
- Concealed tapware connections
- Left or right hand waste position
- Radius internal corners - easy cleaning
- Radius external corners - added safety
- Ideal for schools, kindergartens and child care

about

The **BRITEX Stainless Steel PWD Pre-Plumbed Hand Wash Trough** comes complete with a choice of WELS and Watermark certified hand wash tapware installed. Timed Flow taps are set to run for 6 seconds only per activation to prevent water wastage and vandalism. Fully welded, rounded corners both internally and externally ensure easy cleaning and provide added safety in high traffic areas. A 50mm hob in the rear splashback allows for the pre-installed plumbing to be concealed and resistant to vandalism. Supplied complete with 50mm waste outlet and heavy duty wall brackets.

sample spec. text
