about

Wall mounted hand washing taps offered by BRITEX have been selected to complement specific stainless steel troughs, sinks and basins within the Britex range. Wall mounted hand washing taps are supplied with anti-vandal handles and a heavy duty CP finish. Including in the range a single temperature bib taps as well as wall sets with swivel spouts and fixed spouts for use in conjunction with cleaner's sinks, troughs and laundry sinks. These taps are particularly suited to education projects, hospitality applications and commercial janitorial areas. We are proud to offer these premium quality taps in conjunction with our own first class fixtures.
