about

Hob mounted pillar taps offered by BRITEX have been selected to complement specific stainless steel basins, sinks and troughs within the Britex range. Hob mounted pillar taps are supplied with anti-vandal handles, a heavy duty CP finish with either cam activation (automatic shut-off) or as a standard 3/4 turn tap with vandal resistant aerator. These taps are particularly suited to public amenities and education projects. We are proud to offer these premium quality taps in conjunction with our own first class fixtures. A practical solution for minimising water and energy usage, we are proud to offer these premium quality taps in conjunction with our own first-class fixtures.
