

# KNEE WAND KIT

WELS REG # T32620

## features and benefits

- Retrofit into basins (not supplied)
- Timed Flow (15 Seconds)
- Hands Free
- Chrome plated finish
- Brass construction
- Robust lever for heavy usage
- Timeflow shut off
- Knee operating tap including knee valve

## about

BRITEX Knee Wand Kit is supplied as a complete kit suitable for retrofitting to basin (not supplied). Water flow is activated by applying pressure (normally with the user's thigh) to the wand, disengaging the wand from its neutral position. This will activate a timed flow of approx. 15 seconds. To keep water flowing, the user simply keeps the wand disengaged from neutral position by maintaining pressure with thigh. Kit includes: knee wand valve, breech piece, isolating valves, flexi connectors, and gooseneck spout. 15mm male BSP inlet and outlet.
