- Robust construction

about

Laboratory taps offered by BRITEX have been selected to complement specific stainless steel basins, sinks and troughs within the Britex range. Laboratory tapware is supplied with a heavy duty CP finish in a wide range of formats with XT tube nozzles or aerators, fixed and swivel spouts in single and dual temperature options. These taps are particularly suited to laboratories, testing facilities and education projects. We are proud to offer these premium quality taps in conjunction with our own first class fixtures.
