

KITCHEN TAPWARE: PRE RINSE SPRAYS -HOB MOUNTED-WITH POT FILLER

features and benefits

- Commercial grade quality and fully backed by our industrial warranty
- Support spring in chrome-plated steel allows the trigger hose to be pulled into the spraying position and to return back from the washing area when released
- Separate contra-rotating heavy pattern lever handles with unique fast-action ¼ turn brass spindles and jumper valves to provide either hot, cold water or mixed water
- Easy to assemble and adjustable wall bracket
- Flexible hose TPU inner
- Twinner tap body is forged in brass and chrome-plated heavy-duty construction and it is resistant to temperature up to 90°C
- Main riser pipe in stainless steel, and designed for quick and easy installation

about

Pre-rinse sprays offered by BRITEX have been selected to complement stainless steel sinks, benches, basins and troughs within the Britex range. The pre-rinse sprays we supply are sourced from Galvin Engineering, one of Australia's most respected manufacturers of commercial tapware. Pre-rinse sprays are robust in design and built to last, made from the highest quality materials. Pre-rinse sprays comply with all relevant standards including AS/NZS 3718 and are tested for cleanability to ASTM F2324-03 at 21.46 seconds. The pot filler attachment on pre-rinse sprays is WELS 0* rated to allow for fast pot filling. We are proud to offer these premium quality taps in conjunction with our own first class fixtures.
