## about

The *BRITEX Regal Urinal* is perfectly suited to areas requiring optimal resistance to vandalism such as public toilets, night clubs, pubs and sports pavilions. Supplied with a concealed rear inlet and incorporating a stylish appearance the Regal is also a fine addition to a bathroom that requires high quality, modern looking sanitary fixtures. The Regal is also available as an Auto Flush model that includes a microwave sensor activated flushing device that is fully concealed inside the wall cavity above the urinal (Smart Sensor Flush). WaterMark and WELS certified as required by plumbing regulations and government legislation.
