- Upstand model conceals tapware connections
- 50mm waste & wall brackets supplied
- Radius internal corners - easy cleaning
- Left or right hand waste position
- Ideal for schools, public amenities and pavilions

## about

The *BRITEX Stainless Steel Ablution Trough* also known as the Pattern No. 5 trough is a versatile wash trough with rounded internal corners that prevent build up of grime and ensure cleaning is easy. A 50mm hob is provided in the splashback of the TABL-U so that plumbing can be concealed behind the trough without needing to make penetrations in the wall behind. Made from 1.2mm type 304 stainless steel and possessing square external corners it is available in custom lengths with either left or right hand waste position.

## sample spec. text
