**AUSTRALIAN MADE QUALITY THAT LASTS!**

**Britex is one of the world's most innovative fabricators of premium quality custom refrigerated display cabinets.**

At Britex we custom build our refrigerated product at our manufacturing facility, giving you the flexibility to choose various options and styles that best suits your application.

In buying your Refrigerated Display Case from Britex you get an **AUSTRALIAN MADE** display built to your exact requirements for Australian conditions.

Australian made, Australian family owned, with the back up and service to give you peace of mind.

Call us now to arrange a quote and for advice on how a new refrigerated display counter will not only lift the presentation of your shop but save you ***time***, save you ***money*** and ***increase your business***.

# DISPLAY CABINETS

**DELI**

**POULTRY**

**BUTCHERS**

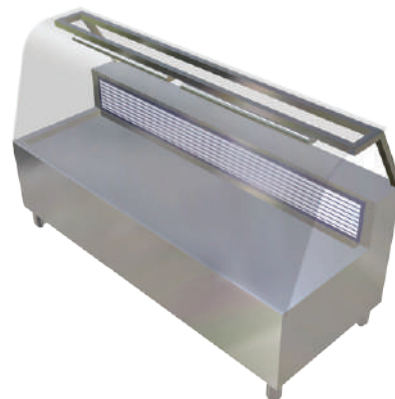

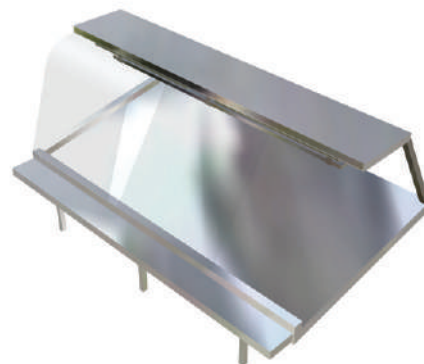

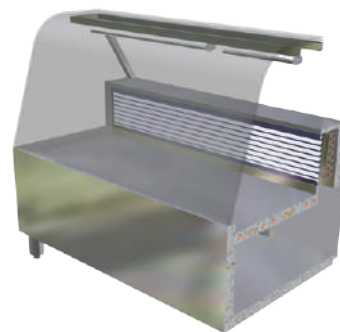

**SEAFOOD**

All Britex Refrigerated Displays are custom manufactured in Melbourne using locally sourced parts and labour - built to cope with the harsh Aussie climate.

Our displays will maintain a safe working temperature year in, year out no matter how hot it is outside, giving you confidence in your product and your compliance with health regulations.
